

Liew Zhen Yu

Data Analytics Intern | Kuala Lumpur
+60 19-686 8629 | dennis.liew03@gmail.com

Summary

Computer Science (Data Analytics) student at Asia Pacific University, with a diploma from PSB Academy and part-time logistics operations experience at DHL Supply Chain in Singapore. Seeking a data analytics internship in Malaysia. Languages: English, Malay, Mandarin, Cantonese.

Education

APU, Kuala Lumpur - BSc Computer Science (Data Analytics), 2025-Present
PSB Academy, Singapore - Diploma in InfoComm Technology, 2023-2024

Projects

Warehouse Flow Analytics (Python, personal portfolio). 4,200 synthetic warehouse orders, not DHL data.

- Same-day completion 42.9%; scan-miss 3.4%; average delay 1.40 hours.
- Outbound-South: scan-miss 5.4% and delay 2.22h vs Inbound-A 2.4% / 0.93h.
- Hold volume in Outbound-South until scan compliance and staffing are fixed.

Experience

Logistic Assistant (Part-time), DHL Supply Chain, Singapore, 2022-2025. Confirm part-time before sending.

- Supported inbound and outbound warehouse tasks in a live DHL operation.
- Processed orders with attention to scan accuracy and on-time movement.
- Coordinated with teammates to clear daily work in a time-critical environment.

Office Housekeeping, Excelgenic Sdn Bhd, Johor Bahru, 2019-2022. Kept office facilities in order independently.

Skills

Excel, SAS, data preprocessing, descriptive analysis; SQL and Python (coursework). English, Malay, Mandarin, Cantonese. References available upon request.
